

Annual Wellness Visit Incentive for Medicare Members

As you know, the Annual Wellness Visit for Medicare patients focuses on medical history, risk factors for illness, a medication review and a personalized disease prevention plan. We remind our HAP Medicare Advantage members to complete their Annual Wellness Visit and they can earn a \$50 reward! This reward includes a one-time “Welcome to Medicare” visit (G0402) or an annual wellness visit.

Here's how you can help your HAP Medicare patients earn their reward.

- When your HAP Medicare patients call to schedule the appointment, make sure it's for an Annual Wellness Visit (not a physical).
- Submit the claim using covered Annual Wellness Visit codes, which can be found in our online resources. Please see details below.
