Subject: Blue Cross Complete Medicaid services remain uninterrupted

Michigan Medicine has announced that certain Southeast Michigan facilities and providers may no longer participate in Blue Cross Blue Shield of Michigan and Blue Care Networks, effective July 1, 2026, if a new contract agreement is not reached. While discussions between the organizations continue, Blue Cross Complete Medicaid members and providers should continue to access and provide covered services as usual.

Blue Cross Complete would like to reassure health care providers that there is no interruption of Medicaid services to Blue Cross Complete members. Providers should continue delivering services and submitting claims through normal processes.

Blue Cross Complete remains committed to helping to ensure members have quality access to care and services. We will continue to communicate updates as appropriate. We appreciate your continued partnership and commitment to serving our members.

If you have any questions, contact your Blue Cross Complete provider account executive or the Blue Cross Complete Provider Inquiry at 1-888-312-5713.
