

HAP Empowered and CareSource Finalize Joint Venture

It's official! HAP Empowered is teaming up with CareSource, a nationally recognized managed care organization. Our partnership will provide even better health care and create better health outcomes for Medicaid beneficiaries in Michigan.

New Name and Resources

Starting October 1, 2023, HAP Empowered Medicaid plans will become HAP CareSource plans. This includes members in Medicaid, MICHild, Healthy Michigan Plan, and Children's Special Healthcare Services plans. Members in HAP Empowered MI Health Link plans are not included in this partnership yet.

There will be a dedicated website, a secure portal for Medicaid business, new member ID cards, and more.

Member Benefits

Your Medicaid patients can count on:

- ✓ **A Strong Local Presence with a National Reach.** Getting personalized care with added national resources.
- ✓ **A Large Network.** Doctors, hospitals, and specialists who care about your patients.
- ✓ **Care Coordination.** Helping your patients navigate the complex health care system and get the right care at the right time.
- ✓ **Care Beyond Health.** Having a job, healthy food, and housing impacts health. Our new programs will focus on these social drivers of health.
- ✓ **Commitment to Quality.** A shared value that all members get high-quality health care.

Please watch the provider newsroom for details on doing business with HAP CareSource.
