

## **HAP and MSU Health Care introduce co-branded Medicare Advantage plan**

***Versatile HMO is available in 46 counties with access to HAP's full HMO network  
of 50,000 providers***

HAP and MSU Health Care have introduced a co-branded Medicare Advantage plan, the **HAP MSUHC Medicare HMO**. Available to any Medicare-eligible individual, the plan offers access to HAP's full network that includes more than 50,000 providers throughout Michigan.

Here are some highlights of the plan:

- \$0 premium
- \$0 primary care provider (PCP) copay
- \$0 copay on mental health visits
- Dental benefit with a \$3,000 maximum coverage allowance that includes extractions
- A \$500 flex card that includes funds for two categories of benefits:
  - \$200 can be used toward dental, vision and hearing
  - \$300 can be used toward companion care, a personal emergency response system (PERS), transportation and over-the-counter items

And much more.

The HAP MSUHC Medicare HMO is the first joint product offered by HAP and MSU Health Care following our announcement in 2021 that we were joining forces to improve senior health across the state.

As a valued partner, we wanted to make you aware of this exciting new product. Here's a link to the press release: [Press release](#)
