

HAP continues statewide expansion of provider network

We're excited to announce that we're adding several key provider organizations to our network, which gives our members access to an additional 25 health care facilities and nearly 900 providers across Michigan.

All of these providers will be in-network for HAP's Medicare Advantage HMO and PPO plans, as well as other plans as noted below:

- Effective 10/1/22, **McLaren Greater Lansing Hospital and its 125 providers** are being added to the HAP network. This means that all McLaren facilities and providers in Michigan are in-network for HAP members in the following plans:
 - Commercial HMO and PPO
 - Medicare Advantage (MA) HMO and PPO
 - Medicaid
- Effective 10/1/22, **Mary Free Bed**, an independent rehabilitation hospital system with locations across the state has been added to the HAP network. Mary Free Bed's 23 facilities and 197 providers in Michigan are now in-network for HAP members in the following plans:
 - Commercial HMO and PPO
 - Medicare Advantage (MA) HMO and PPO
 - ASR self-funded plans
- Effective 1/1/23, **Holland PHO**, a physician-hospital organization that's a partnership between community physicians in the Holland, Mich., area and Holland Hospital, will be added to HAP's network. Holland Hospital and its 160 providers will be in-network for HAP members in the following plans:
 - Medicare Advantage (MA) HMO and PPO
- Effective 1/1/23, **Answer Health**, the largest network of private practice physicians in West Michigan, will be added to HAP's network. 422 Medicare-participating providers of Answer Health will be in-network for HAP members in the following plans:
 - Medicare Advantage (MA) HMO and PPO
- Effective 2/1/22, **Scheurer Health** facilities and providers, which were already in-network for HAP's Commercial and Medicare plans, are now in-network for Medicaid. Scheurer Health has facilities and providers throughout the thumb region of Michigan that includes two health clinics, five rural health clinics and 29 providers. All Scheurer Health facilities and providers in Michigan are now in-network for HAP members in the following plans:
 - Commercial HMO and PPO
 - Medicare Advantage (MA) HMO and PPO
 - Medicaid

These additions greatly expand access to care for HAP members and prospects, especially those shopping for a Medicare Advantage plan this annual enrollment period. You can read our press release [here](#).
