A first look at 2026 plans, programs and tools

Join us for exclusive, no charge provider forums, where we'll share the latest updates, enhancements and new tools from HAP and HAP CareSource. See what's coming in 2026 and how it will benefit you and your patients, including:

- An overview of HAP and HAP CareSource 2026 plans and products
- New programs and initiatives launching in 2026, including an enhanced authorizations platform
- Demo of online applications
- Tips for working with HAP, HAP CareSource and ASR Health Benefits
