Subject: **MDHHS updates Healthy Michigan Plan Health Risk Assessment, healthy behavior attestation process**

Due to the end of the Public Health Emergency, the Michigan Department of Health and Human Services has made a change to the Healthy Michigan Plan Health Risk Assessment and healthy behavior attestation process.

Effective July 1, 2023, Blue Cross Complete staff will no longer be able to complete the process with members. Instead, the Blue Cross Complete Healthy Member HRAs must be submitted by Plan staff on the 5944 healthy behaviors file. The file must include the final portion completed in collaboration between the member and a primary care provider. The provider's attestations of the member's healthy behaviors and any changes must also be included in the file.

For more information about the Healthy Michigan Plan Health Risk Assessment, please refer to the [MDHHS Medicaid Provider Manual](#).*
