Molina Healthcare's Legacy Provider Portal
Now exclusively through Availity!

Thank you for your continued partnership. We have some important information to share with you. Availity Essentials is now the official secure provider portal for Molina Healthcare providers. The Molina Legacy Provider Portal will be sunset on March 28, 2023. You will no longer have direct access to the Molina provider portal after that date.

Availity Essentials allows you to: check eligibility and benefits, submit claims, view remittances, manage prior authorizations, upload supporting documentation with your claims, submit appeals, and more!

Within Availity Essentials, you have access to these helpful tools and time-savers:

Current features	
Prior authorizations	Manage your Molina prior authorizations on Availity and use the **Auth/Referral Dashboard** to follow up on the status of your prior authorizations.
Claim status	Expanded search options include member name, service dates, claim history or the 276 HIPAA standard. Adjustment and remittance codes, along with their descriptions, at the claim and line level.
Smart claims	A simplified claim entry tool with only the essential fields you need. Use data from prior eligibility and benefits submissions to autofill your claim.
Eligibility and benefits	Use data from prior eligibility and benefits submissions to search for your patients and autofill your claim.
Attachments	Upload supporting documentation with your claim using the **Send Attachments** feature. You can transmit up to 10 attachments (128 MB total file size) with your claim submission.
Features coming soon	
Accumulators	Each member/plan submitted returns the Molina plan/dollar and benefit/count accumulated toward the limit.
