Billing for Urgent Care Services for HAP Empowered Members

Please follow the guidelines below when billing for urgent care services for HAP Empowered members.

- Bill appropriate level E & M codes for urgent care services. Also include the appropriate codes for all other services provided on the same day.
- Providers will be reimbursed at the Medicaid fee schedule. You can find fee schedules when you visit **Michigan.gov/mdhhs**. Click on *Assistance Programs; Medicaid; Providers; Billing and Reimbursement; Provider Specific Information*.
- For authorization requirements, log in at **hap.org** and select *Procedure Reference Lists* under *Quick Links*.

You can find other billing guidelines for HAP Empowered members in the Provider Manual. Please visit **hap.org/providers** and select:

- *Provider resources*
- *Medicaid and MI Health Link providers*
- *Provider Manual*
