

## Cost Share Change for HAP Medicare Individual Members Obtaining Continuous Glucose Monitors at DME Providers

Effective January 1, 2021, HAP Medicare Individual members who obtain their Dexcom and Libre CGMs from durable medical equipment providers will pay a 20 percent coinsurance.

You can easily identify HAP Medicare Individual members using one of the methods below.

- Calling **(866) 766-4661**
- Log in at **hap.org** and select *Member Eligibility*. Below are sample screen shots from the application showing the difference between individual and group members.

HAP Medicare Individual members have "non-group" in the group name field.

Plan / Network:	MA POS ALL COUNTY H2354021 OPEN/MT CLEMENS GENERAL HOSPITAL MA9C/ASSIGNED
Eff / Term Dates:	01/01/2020 12/31/2020
Status:	Active
Group ID:	100000261006

### No cost share options for members

HAP Medicare Individual members can obtain their Dexcom and Libre CGMs at no cost share by one of the methods below.

1. Our preferred vendor, Pharmacy Advantage
  - a. Provides free in-home delivery of CGM and supplies
  - b. Coordinates closely with HAP for any questions from your patients
  - c. Contact Information: **(800) 456-2112**, Monday through Friday, 8 a.m. to 6 p.m.
2. Local pharmacies

If you have any questions, please email [providernetwork@hap.org](mailto:providernetwork@hap.org) and put CGM in the subject line.
