

Forgot Your Password for the Provider Portal?

Resetting your password to access our online applications just got easier! You don't need to email a request—you can do it yourself.

Here are the steps to reset your individual or vendor user password.

- Go to **hap.org**
- Select *Log in*
- Select *Forgot my username or password*
- Select *Provider*
- Go to step 2
- Follow the instructions

You can also check with the ID Administrator in your organization for help.
